TRANSMITTAL OF THE REVISED FINAL PHASE I RFI/RI WORK PLAN FOR OPERABLE UNIT
NO. 10, OTHER OUTSIDE CLOSURES - JMK-0668-92

Ref: J K Hartman ltr (6310) to J M Kersh, Request for Revision of the Final Phase I
RFI/RI Work Plan for Operable Unit No 10, June 4, 1992

As requested by the above-referenced letter, EG&G Rocky Flats, Inc (EG&G) has submitted, by hand delivery to B. K. Thatcher, the revised Final Phase I RCRA Facilities Investigation/ Remedial Investigation (RFI/RI) Work Plan for Operable Unit No 10 (OU 10), Other Outside Closures. These revisions replace pages/sections of the May 1992 version of the Work Plan. As stated in a Colorado Department of Health (CDH) letter dated June 2, 1992, revision of this Work Plan can be accomplished by submitting updated replacement pages, figures, and tables or entire sections as appropriate.

EG&G requests that comments concerning the revision be completed by July 13, 1992. If DOE/RFO's comments consist of minor editorial changes, as we anticipate based on previous informal reviews provided by your staff, the revised Final Work Plan will be completed by July 17, 1992 for transmittal to the Environmental Protection Agency (EPA) and CDH.

If you have any questions regarding this issue, please call K W Pacheco of Remediation Programs at extension 8701.

J M Kersh, Associate General Manager
Environmental and Waste Management
